REFERENCE

SUBJECT DOW VISITATION TO AKRON

RECEIVED

APR 14 1980

J. R. HOPPER

Ival Wilson called on April 10 to report that he was recently visited by Messrs. Frank Riley and Roger Gohrband of Dow. The purpose of the visit was to discuss the VCM nominated quantity for 1981. Dow expressed major disappointment with the quantity reduction, but the meeting was an amicable one, and they appear reconciled to the fact.
