TO: VICE PRESIDENT OF THE EUROPEAN COMMISSION, MAROŠ ŠEFČOVIČ

Dear Vice President Šefčovič,

Given your new role leading the Commission's work on the European Green Deal and its commitment to tackle chemical pollution, we would like to re-submit our offer to be tested for PFAS in your own body. Please find enclosed an invitation letter to you as a high-level politician to participate in our study on the levels of hazardous chemicals, specifically the so-called 'forever chemicals', PFAS, in blood samples. Similar invitations have been sent to some relevant national Ministers, members of the European Parliament and Commissioners. Vice-Presidents Timmermans, Vestager and Šuica as well as Commissioner Sinkevičius have been tested; your participation would be greatly appreciated and would send a powerful message about the European Commission's commitment towards EU citizens protection.

Thank you for your consideration, and we hope that you will join us in this important effort to improve public awareness and health.

Sincerely,

[REDACTED]
