FROM: R. E. GREEN, SENIOR INDUSTRIAL HYGIENIST, HS&E/S&IH
TO: INDUSTRIAL HYGIENE SERVICES STAFF
SUBJECT: ASBESTOS SEMINAR

As announced earlier, the IHS asbestos seminar is scheduled on Thursday, December 11, 1986, 7:45 - 12 noon, Room 1849 OSP. All IHS staff who may be involved with asbestos field or office building work are expected to attend.

An agenda for the seminar is attached. Required reading for the seminar is also attached. This includes copies of 1926.58 (OSHA Asbestos Standard for construction), 1910.1001, Appendix F (Brake Repair), the Shell Oil Company implementation memo on compliance with the asbestos standards and a compliance checklist developed by Manufacturing H&S. Please read all of this material prior to the seminar and be prepared to ask questions, if you have any.
