ABILENE, Texas, Sept. 18.—Tom
Noss, cattle man, was given twenty
years in the State Penitentiary for
the murder of H. L. Roberson,
cattle inspector, when the jury re-
turned its verdict tonight after be-
ing out since Friday night.

General Motors Trucks

High Road Speed— Great Pulling Power

have used GMC 2-ton motor trucks
since 1915. These trucks have
been largely for long distance hauling,
remember, 1921, we put into service a
model, 2-ton capacity, and after six
months of service, we believe that this truck
best motor truck ever built. We could
not find many instances of hard pulling
laid with this truck that we know
to be physically impossible with only a
2-ton transmission. On a straightaway
we are able to travel at 18 miles an hour
with vibration exciting the engine, and
the tires."

W. M. HUGHES,
Manager, Q.

MC Two-Range Transmission
solved the most important prob-
lem in the motor trucking industry.
It gives both profit-making road
and ample pulling power for every
load and a fuel economy hitherto
unknown. It is a simple, practical
modification of economical engine
into new and much greater
at the wheels and into faster
on good roads.

Bathroom Walls that glisten like tile

A SPOTLESS FLOOR and fixtures—walls and wood-
work glistening like white tile! Any woman would
be proud of such a bathroom.

And almost any woman can have such a room—she can do the fin-
ishing herself, and enjoy it! If your bathroom has become dingy-
looking, freshen up the woodwork with Silkenwhite Gloss or Semi-
Gloss Enamel and apply a coat of Fullerwear Varnish to the line-
oleum. And when you have done that, use Fuller Washable Wall
Finish on your kitchen, bedroom or living room walls—many soft,
attractive colors and tints from which to choose.

Like all other Fuller products, Silkenwhite Enamel has been per-
fected after 74 years of paint-making experience, and determination
to excel. It is easy to apply; it beautifies; and it wears well.

Whatever your painting need, W. P. Fuller & Co. makes a paint
for the purpose. Always ask for Fuller products by name. Your local
dealer has them. Or write our Service Department for advice
and for a free copy of our "Home Service" booklet.
