Re: Irradiated Plastic Pipe Proposal

Dear Mr. Kelly:

Further to my letter of April 16th, the C.N.R.S. patent on mutual irradiation is U.S. 3,252,880 ordered 6/2/66 which was issued May 24, 1966.

In the meantime, we have your letter of the 4th and are looking forward to hearing further from you in the matter.

Sincerely,

THE DOW CHEMICAL COMPANY
