September 24, 1968

Dear John:

Confirming my telephone conversation of last Friday, Colt Industries, Inc. has been duly elected an Allied Industries Member of the Council. This action took place at our Directors meeting on September 18, and it is my pleasure to welcome you and your company to our organization.

Each member, according to our By-Laws, is permitted to designate an official delegate and alternate to represent it at our meetings, and for this purpose, we request that you complete, and return to us, the attached form at your convenience. Our initial billing in the amount of $250.00 covering a pro-rated share of the 1968 annual dues for an Allied Industries Member is also enclosed.

We are immediately adding your name to the mailing list to receive our WEEKLY BULLETIN as well as all of our other releases. Should you desire that the BULLETIN be forwarded to others in your company, please give me their names.

As I mentioned, our next Directors luncheon will be held here in Washington on December 4, and in due course, you will be receiving an invitation to this affair. However, I sincerely hope we will see one another before that time.

Meanwhile, with all good wishes, I am

Cordially,

Edwin M. Hood
President
