Re: EPA Final Rule; Revisions to Vinyl
Chloride Standard

Dear Roy:

Enclosed for distribution to the Health, Safety and Environment Committee and the Legal Committee is a copy of the U.S. Environmental Protection Agency's ("EPA") final rule with regard to the National Emission Standards for Hazardous Air Pollutants ("NESHAP"); Revisions to Vinyl Chloride; and Equipment Leaks of Volatile Hazardous Air Pollutants. 55 Fed. Reg. 28346, July 10, 1990.

The enclosed notice promulgates the revisions we negotiated with EPA in response to the 1986 amendments to the standard. The revisions are identical to those proposed on September 21, 1989. As such, our final task will be to dismiss the pending litigation in a joint motion with the Justice Department.
