Messrs. Mitchell & Smith,
Broad Street,
City.

Dear Sirs:--

Referring to the attached note from Mr. W. H. Truesdell to the writer, we are under the impression that our Mr. J.P. Thomas took this matter up with Mr. Julian Mitchell, but in the absence of Mr. Thomas, we are uncertain about this, and hence refer the note, just as received from Mr. Truesdell, and would thank you to let us have the information he desires.

Thanking you for your attention to this, and awaiting your reply, we are,

Yours very truly,

GENERAL ASBESTOS & RUBBER COMPANY.
