Re: CAPCO

Dear Mr. Fox:

Enclosed is a copy of the correspondence from Welsh Company that you requested. Approval schedules have been changed and/or modified in the interim since the subject correspondence was received. Therefore, it would be wise to contact Miss Gussey directly and discuss the current approved status for any respirator in question.

If we can be of any further assistance, please feel free to call on us at any time.

Sincerely,

A handwritten signature in cursive script, appearing to read "G. L. Wyatt", is written over the typed name.
