Upstream Committee Roster 6-14-2017.pdf

Ryan: Good morning, thanks again to the Administrator for taking the time last week to meet with API President and CEO Jack Gerard. We spoke at the end of the meeting about our Upstream Committee meeting in Washington on July 26<sup>th</sup> and you graciously offered in combination with our meeting with the Administrator utilizing the Rachel Carson Room attached to the Administrator's Office for the meeting.

Just wanted to follow up with you on the timing that would work for my group. 11:00 am would be ideal. We could also do 9:00, 10:00, 11:30, 12:30.

Thanks in advance for your assistance in scheduling this meeting.
