BY MR. DeLUCA:

13:14:05:15

Q As 36 I am going to mark a letter dated February 9, 1976 from John Marsh of Asbestos Manhattan to you. Do you know Mr. Marsh well?

13:14:08:04

13:14:13:01

A I knew Mr. Marsh professionally.

13:14:17:18

13:14:22:28

Q One of the last things he said in this meeting was that there is no question that excessive amounts of asbestos dust exist in many brake service centers, and it is incumbent upon the industry to take an aggressive approach in providing its customers with information on the safe handling of asbestos containing products. Do you see that?
