Dear Dr. Kehoe:

We wish to thank you for the order you sent our Mr. Kattner for Vacutainers and accessories to be used in connection with your blood lead work.

The accessories and 200 of the regular stock tubes are going forward to you today via parcel post, special delivery. Included in the package you will find 34 tubes that have been specially cleaned as suggested by you. These were included at no charge.

We would appreciate it if you would try these out to see if they are satisfactory in every way, as we are quite sure they will be. Immediately after they have been tried we would appreciate hearing from you telling us that they are all right, or in the event that they should not be satisfactory, please let us know what is wrong. As soon as we receive your comments we will make the 800 tubes that are on your order, specially prepared for your requirements.

Thanking you for all your cooperation and the courtesies you have extended our Mr. Robert J. Kattner, we are

Sincerely yours,

BECTON, DICKINSON & CO.
