

Interoffice Communication

To J. R. Pavo - Houston
From J. A. DeBernardi
Date October 17, 1980
Subject Capital AFE Closures

The VCM Plant does not have any capital projects that will be closed out by November 30, 1980 that have not already been closed out. I have listed below those AFE's that were closed out in August for you in case they were not included in the September 30 figure you included in your October 17 fax.

<u>AFE No.</u>	<u>Description</u>	<u>Under (Over) Expenditure \$</u>
8337	Standby Waste Water Steam Stripper	19,210
8549	Lab Instrument Power Supply	27,371
8599	Steam Stripper Overhead Rerouting	(351)
8520	Laboratory Equipment	(36)
