(Proposed Letter to Accompany Order Acknowledgement)

Dear Sir:

The material described on the attached acknowledgement of your order is a heat transfer fluid which is intended only for indirect heating purposes.

Under no circumstances should this product contact or in any way contaminate food, animal feed, food products, food packaging materials, pharmaceuticals or any items which may directly or indirectly be ultimately ingested by humans. Any contact may contaminate these items to the extent that their destruction may be required.

Since this product is normally exposed to high temperatures and is not classified as fire resistant, every precaution must be taken to prevent ignition and fires.

Sincerely,

Cumming Paton
