Subject: CERCLA Financial Responsibility Proposal

Dear Ryan,

I hope all is well. I am reaching out concerning EPA's CERCLA financial responsibility proposal. I represent Asarco LLC, which will be filing comments on the proposal. Asarco would also appreciate the opportunity to discuss its concerns with you or another appropriate EPA official.

Duane Yantorno, Asarco's Corporate Manager for State and Federal Regulatory Affairs, will be in Washington from Arizona in late July so I am hoping to schedule the meeting for either July 25, the morning of July 26, or July 28.

Please let me know if any of those dates work schedule-wise. If not, I can propose alternative dates. Also, if there is any other information I can provide to assist, please let me know.

One last note so that you are fully informed, in February I raised the possibility of a meeting with Kevin Minoli. We tabled the issue at that time due to the extension of the comment period.

Best regards,

Mark
