Hello Mary Ann,

Thank you for your message and meeting invitation. We'd be happy to look at the schedule and see if we can make this work. Would you mind completing the attached meeting request form so that we can gather a little more information? We have a scheduling meeting on Thursday and I should be able to follow up with you soon after that.

Thank you!

Hi Tate,

Thanks for your prompt response. I hope we can find a time that works to accommodate a meeting on Oct. 24-25 or 26th.

All the best,

Mary Ann

I'm looking forward to speaking with Bill as well.

We'd be happy to see if we can accommodate a meeting. I know he will be on work travel some of that week, however. Copying our scheduling team to help run the traps here.

Hello Tate,

Bill Shireman is looking forward to speaking with you next week. Bill and Trammell S. Crow would like to come to D.C. and meet with the Administrator and colleagues as appropriate to share the results so far of our own efforts to define a more optimistic free market based environmental narrative for Republicans. Bill will be in DC the week of October 23rd and I am wondering if a meeting is possible anytime that week Tuesday through Thursday?

Thank you,

Mary Ann

Meeting Request Form for Administrator Scott Pruitt

Today's Date: October 9, 2017

Meeting Date: Any time between October 24, 25, 26

Meeting Time: Any time, but Morning Optimal

Requested Location (if offsite, please list address, parking instructions, etc.):
Washington DC, any location

Requestor: Trammell S. Crow and Bill Shireman

Purpose of the Meeting: Discuss approaches to "True Environmentalism" and how to secure public support and unlikely allies

Background on the Meeting: TSC has supported significant development of an alternative "positive environmental movement" that is pro-market and Republican-friendly

Role of the Administrator: Support this administration's approach on EPA and UN by giving voice to an economically/environmentally superior alternative to "big government" lawsuit-laden environmentalism - protect air, water, land, oceans, and climate by harnessing markets, not overregulating them.

Attendees: Trammell S. Crow and Bill Shireman

Point of Contact: Mary Ann McDonnell, mmcdonnell@future500.org, 530.265.6768
