Six meetings attended by Ford representatives that we know of are as follows:

1. IHF 33rd Annual Meeting, October 15-16, 1968--
   Paul E. Toth, Ford Motor Company, Dearborn

2. OSHA Inspection Experience Exchange Seminar, Oct. 12, 1972--
   Earl B. Bennett, Ford Motor Company, Wayne

3. Health Symposium, February 27-28, 1973--
   Henry B. Lick, Ford Motor Company, Dearborn

4. Symposium on Chemical Carcinogens, June 28-29, 1973--
   Roger L. Wabeke, Ford Motor Company, Dearborn

5. 10th IHF Engineering Discussional, January 16-17, 1974--
   Rober L. Wabeke, Ford Motor Company, Dearborn

6. IHF Executive Management Seminar, October 22-23, 1974--
   Duane L. Block, M.D., Ford Motor Company, Dearborn

Ford Motor Company would have received a certain number of subscriptions to the Industrial Hygiene Digest as part of their membership between 1947 and 1974, but we have not retained the mailing lists since our record retention policy provides for the destruction of such records five years after a company resigns.

I am sorry we cannot provide more detailed information.

Sincerely,

Daniel C. Braun, M.D.
President
