TO: Recipients of the Terra Inc., Consultants Report,
Robert C. James et al authors.

"An Assessment of the Risks Associated
with the U.S. EPA's Polychlorinated
Biphenyl Spill Cleanup Policy"

Enclosed is a final copy of the Terra report which corrects several
typographical and mathematical errors found upon re-review.

The mathematical error in calculations related to Table 5-1 page 49
due to a misquotation from the original reference. The corrected values
in Section 5 present no significant changes in the author's findings
and conclusions.

Corrections appear on pages 33, 49, 50, 51, 58 and 59. For
convenience please destroy the old copy and replace it with the new
version.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "John H. Craddock". The signature is fluid and cursive, with the first name "John" and last name "Craddock" clearly distinguishable.

John H. Craddock, Ph.D.
