

December 9, 1946.

Dr. A. J. Lanza,  
Associate Medical Director,  
Metropolitan Life Insurance Company,  
New York 10, N. Y.

Dear Doctor Lanza:

I shall be very glad to do what service  
I can in reading Roy Gardner's uncompleted report  
on Asbestosis and in making such suggestions as I  
may be able.

He was with us just about this time last  
year, and I consider his loss to science is a major  
one.

With best personal regards, I am

Sincerely yours,

Kenneth M. Lynch, M. D.,  
Dean.
