Woodwork that provides gracious and fitting back-
grounds for rugs and furniture, for pictures and hang-
ings.

Finish or re-finish the woodwork in your home with
Silkenwhite Enamel. In delightful shades and colors, it
helps make the home beautiful and enduring. A blend-
ing of high grade varnishes and pure pigments, Silken-

able durability.

BIG GUNS CONCEALED

All important guns are carefully
camouflaged by the land forces to
prevent the invading sea forces
from sighting them.

who were called to service in the
"emergency," will be brigaded with
the regular troops on Thursday.

Although it is impossible to state
the time for contact between sea
and land forces, it is believed that
a clash will occur Friday night or
Saturday morning.

Admiral Coontz and Major-Gen-
eral John L. Hines today completed
last minute plans for judging the
maneuvers.

Y.M.C.A.'s 'Colossal' Circus on Tonight

With rehearsals completed and
every detail of arrangements finish-
ed, all is in readiness for to-
night's opening performance of the
annual "colossal circus" of the San
Francisco Y. M. C. A. to be held in
the gymnasium of the "Y" building
at 220 Golden Gate avenue. Nearly
100 performers will take part in the
show. There will be acrobats, turn-
ers, clowns and even "trained wild
animals," but all of them will be
members of the "Y." The big
"Gym" has been converted into a
can-barked arena. Spielers will bark
and every other touch of the "real
thing" will be given the show, even
to the pink lemonade and the pea-
nuts.
