Byron, hope things have calmed down with your family emergency.

Wanted to check back and see if you are back in DC if you have a better sense of your next couple of weeks for meeting availability. Thank you and sorry to be a pest!

Byron,

Wanted to follow up and ask for a meeting with you to discuss Bloom Energy's previous request for an MPU exemption. We're flexible on timing, Shawn Soderberg is based in California, but can come to DC anytime in the coming weeks except for the 30th and 31st of October and the week of November 13th.meeting.

Thanks very much for considering.

Byron,

Hope you're well. Wanted to check in and see if you have a few minutes tomorrow to talk about the original request we had when Bloom Energy came in to discuss with you our request for a manufacturing process unit exemption (MPU) under RCRA.

Thanks and if tomorrow doesn't work, let me know if you have time early next week. Shawn Soderberg is very interested in getting a meeting with you, but prior to that wanted to get your thoughts before I submit a formal meeting request.

Thanks,

T.A.
