MESSAGE: Vinyl Institute item of interest —

Bob/Has — In glancing @ some recent VI correspondence, noted a couple of items on their 10/02/96 agenda for the H S & E committee meeting in Boston:

- OSHA Clarification of Medical Surveillance Provision of Vinyl Chloride Standard.
- EPA Integrated Air Toxics Strategy (Particularly, draft report priority HAPs, including Vinyl Chloride.)

Some consultation on these matters of mutual interest may be warranted. Frank Borelli @(201)898-6699 is VI contact.

Ed Beeler
