YOUR MEMO OF JANUARY 23, 1973
TALC PRODUCER'S ASSOCIATION (PROPOSED)
R. T. VANDERBILT COMPANY

Attached is a proposed draft of a letter which is intended to indicate our (J-M) stand on this subject. We agree that this should probably go out over F. J. Solon's signature. We feel most strongly, however, that both S. Speil and W. C. Streib should approve of the technical soundness of the letter before it is sent.

We believe that the letter should go to the presidents of all of the talc producers in the United States, to the Talc Producer's Association, and to the appropriate A.S.T.M. Committee.
