FRAZEE'S A "FAINT NAME" YOU KNOW

DID OVER MY ROOM LAST NIGHT

"No fooling?"

"Sure! Used Kem-Tone on the walls . . . it dried right away and left no odor . . . just like the advertisements say. Tomorrow morning I'll use Semi-Lustre on the window and door frames . . . over the week-end I'll put Mar-Not on the floor."

"Sounds too easy."

"Yes, I know . . . but it can be done . . . it really can be done—just try!"
