

1 THE COURT: Okay. Then let's put that under
2 economic expenses then.

3 MR. IGNATOWSKI: That is correct.

4 THE COURT: That will cover medical expenses
5 and lost wages and things of that sort, and then
6 funeral expenses will be broken out and then
7 noneconomic.

8 MR. WILLIAMS: Your Honor, just so I am
9 following the Court, for the economic, that would be
10 the lost wage claim and then the medicals?

11 THE COURT: And the medical expenses, yes.
12 Economic would be lost wages and medical expenses.

13 The funeral expenses are broken out
14 separately. They are 3,500 in the Grewe case.

15 Any objection to the Court inserting that
16 number should the jury get to that point?

17 MR. WILLIAMS: Should the jury get to that
18 point, we will stipulate, Your Honor.

19 THE COURT: Okay. So I will put 3,500 in.

20 Ms. Hines, as to Mr. Wood, what was the
21 amount?
