W.H.Bateman, Esq., M.B.
"Daisybank",
Roochdale.

Friday,
5th August,
1932.

I am enclosing an extract of a Minute passed at the June meeting of the Turner & Newall Ltd. Directors.

You will see that we are asked to undertake an inspection of various factories. I should be glad if you could give me some idea of when you could undertake these visits and whether it will suit you to do them all at once, or say, one or two each week.
