INTRA-COMPANY LETTER

Gibbsboro AUG 17 19[illegible] Castings Lab

To Cleveland - Environmental Control

Date August 15, 1972

Att'n P. C. Caugnah

Subject Lead Poisoning

Refer To From

Attached is some information put out recently by the New Jersey State Department of Health. If you haven't already seen it, you may wish to put it with your files on Lead Poisoning. Note that the Department of Health allows up to 1% Pb by dry weight before a dwelling unit is in violation.
