Hello Abbie and Alex,

I represent FMI, the Food Industry Association related to the AIM Act regulations. FMI would like to invite one or both of you to attend a meeting of its Government Relations Committee meeting on March 4th. The meeting begins at 12:30pm, and 1:00 pm may be an ideal time if you are available. The members are interested in regulatory updates from the Office of Air and Radiation as well as getting to know you.

Thank you for considering this invitation. I'm happy to pass along any additional information that you might want to know.

Regards, Matt
