Patsy,

Talked with Don...he has an all day internal meeting that he must attend Thursday beginning at 9:30 AM EDT. However, he would be able to call in for the first hour. So, suggest we reorder the agenda so the companies can vote on the motion reinforcing/clarifying our previous BHRC decisions from December/January, before getting into the API/BHRC R&R discussion.

Regards,
Brian

BHRC / API meeting - API
participation

Howard;

Would you be so kind as to invite Brenda Hargett to give us a 10-15 minutes presentation on how the API contracting process works, specifically with regard to the Shanghai Health Study? I believe that this would benefit our understanding.
