ROTUNDA EQUIPMENT WARRANTY

All Rotunda equipment that appears in this catalog carries a manufacturer's warranty of at least 1 year on parts and/or labor.

The tools and equipment listed in this catalog have been selected for use by Ford and Lincoln-Mercury Dealers. They bear the Rotunda signature because they have been carefully selected by Ford engineers and are continually re-examined in the light of new developments and advancements in the industry. However, they are manufactured by separate companies whose sole business is manufacturing tools and equipment. The manufacturer of this equipment issues its own warranty and performs obligations under said warranty. The specific warranty provisions are packaged with the equipment prior to shipment. FORD MOTOR COMPANY MAKES NO WARRANTY with the sale of this equipment, either expressed or implied, INCLUDING ANY WARRANTY OF FITNESS FOR PURPOSE, OR OF MERCHANTABILITY.

The information in this catalog was gathered from materials released by the Equipment Sales and Marketing Department of the Ford Parts and Service Division of Ford Motor Company, as well as the equipment manufacturers. The descriptions and specifications contained in this issue were in effect at the time it was approved for printing. Our policy is one of continuous improvement and we reserve the right to change specifications or design without notice and without incurring obligation.
