C. L. Miller - Newark Chemical Plant

Required data
on the
final month
END TOUR.

From: R. A. Conrad

Telex.

Date: October 11, 1977

Subject: MONTHLY INJURY STATISTICS

There are frequently requests for safety statistics before the progress report is received each month. In order to make this data available sooner, please state the monthly injuries by category in the final TWX or Thursday wire for each month, as follows:

Month Cumulative

- First-Aid Injuries
- Doctor Cases
- Lost-Time Injuries
