

1 general mechanic would do for the United States Post
2 Office?

3 A Working for the United States would be
4 engine work, brakes, clutches, anything pertaining to
5 a vehicle.

6 Q And were you hired by the post office?

7 A Yes.

8 Q And do you recall approximately when you
9 were hired as a mechanic by the post office?

10 A 1945.

11 Q And when you started working, in what
12 location did you work out of?

13 A 439 East Preston Street, U.S. Post Office
14 garage.

15 Q And can you describe for us the building,
16 the garage at 439 East Preston Street?

17 A Yes. It was a garage that was about a block
18 square, with an entrance on Biddle Street coming into
19 Preston Street on an angle. So, it would be almost a
20 full block in distance.

21 Q Now, you said it was approximately about a
