**Subject:** SIGMA Invitation to Scott Pruitt - November 2017

Hi Syndey,

I'm reaching out on behalf of Mike Thornbrugh of the QuikTrip Corporation in Tulsa, OK and SIGMA to touch base on the invitation for Scott Pruitt to speak at the SIGMA Annual Conference in Chicago this November.

We would love to have him address our membership at our largest meeting of the year. I do have two dates available, so have a bit of flexibility with his schedule:

**Wednesday, November 8, 2017**

Opening General Session

3.00pm – 4.30 pm (*presentation time roughly 3.20pm – we start the session with some association business*)

OR

**Friday, November 10, 2017**

Business Meeting and General Session

9.00am – Noon (*presentation time approximately 10.00am depending on how quickly the session flows*)

I know you're juggling quite the schedule with him and he has a multitude of obligations, but we're inching closer to the date and are starting our promotions for the meeting. We'd love to be able to include Mr. Pruitt if he is available! I know that our members would gain wonderful

insights from him.

I am happy to provide further information or answer any questions for you or Mr. Pruitt. Thank you so much.

Sincerely,

Mike Thornbrugh
