

December 7, 1936.

J.E. Spargo,
Rm. 7019,
Building.

Referring to the Tuller & Moosman case, our
New York Counsel seem to be of the opinion that we should not dis-
pose of the 36-30 gallon drums of paint now held in our Brooklyn
warehouse until the termination of this litigation.

We expect to have a trial within the next
thirty days and I will advise you further within the month.
