Mr. Barry Bresnick, Paint Buyer
ZAYRE CORPORATION
Framingham, MA 01701

Dear Barry:

Supplementing our several phone conversations on the subject of the asbestos ban on wall patching compounds, we have checked our records regarding purchases of Bondex Products.

From our records, it would appear that we made direct shipments to you prior to December, 1976, of both Resurfo Powder and Resurfo Paste Spachtling Products, but no direct shipments of our Patch 'n Repair Kit.

Also from these records, as mentioned, it would appear that Leavitt has not purchased any Resurfo Powder, Resurfo Paste, or Patch 'n Repair Kits from us during 1976, 1977, or 1978 up to date.

Trust this will be of assistance.

Sincerely yours,

BONDEX INTERNATIONAL, INC.
