Dear Sir: Att'n. Dr. Willard F. Machle

The writer called on [REDACTED]
at his home, 2708 Oakleaf Avenue, Pleasant Ridge,
today and found him in bed. He stated that he was
not in as good shape as he was at the time he left
the Deaconess Hospital, which I believe was January
26, 1933.

In order that we may place him on
our Employees' Mutual Benefit Association payroll,
will you kindly advise date you are discharging him,
also termination date on your payroll and also fur-
nish us with a report covering his case, so that we
can complete our files. If you can furnish us with
the above by Thursday of this week, it will be great-
ly appreciated.

Yours very truly,

THE STANDARD OIL COMPANY (OHIO)
