

January 29, 1946

Dr. Jean S. Felton,
129 Retiro Way,
San Francisco, California.

Dear Dr. Felton:

I am writing in the absence of Dr. Kehoe from the Laboratory,
in response to your letter of January 14.

Although Dr. Kehoe returned to his office after the receipt of
your letter, he was here for only three days, and the many
urgent matters to be handled did not allow sufficient time for
the thought necessary for answering your letter. He will reply
shortly after his return, which will be around the middle of
February.

Very truly yours,

E. R. Fortlage, Secretary to
Dr. Kehoe
