AMENDMENTS TO RULES UNDER THE POISONS ACT (XII of 1919)

RATIFIED BY GOVERNMENT OF BENGAL 26.1.34

1. After Item 17 in Schedule I appended to the said rules, add the following item, namely:

18. Tetraethyl Lead.

11. After rule 20 of the said rules, add the following rule, namely:

21. (1) No person shall sell any tetraethyl Lead unless the same is before the sale thereof mixed with petrol so that the amount of tetraethyl Lead in the admixture shall not exceed 1 part in 1300 parts by volume or about 1 part in 650 parts by weight.

Provided that where tetraethyl Lead is stated by the purchaser to be required for some purpose for which such admixture would according to the representation of the purchaser render it unfit, tetraethyl lead may be sold without such admixture with the previous permission in writing of the District Magistrate or in Calcutta, or the Commissioner of Police.

(2) Cans and pumps containing petrol with an admixture of tetraethyl Lead shall be labelled to indicate the presence of tetraethyl lead in the petrol and to warn the user to avoid spillage and not to use the petrol except as a motor fuel. Such petrol shall also be dyed as an additional check against its use otherwise than as a motor fuel. The amount of tetraethyl lead in such petrol shall not exceed 1 part in 1300 parts by volume or about 1 part in 650 parts by weight.

(3) Nothing contained in rules 1 to 20 shall apply to an admixture of petrol and tetraethyl Lead in which the amount of tetraethyl Lead does not exceed 1 part in 1300 parts by volume or about 1 part in 650 parts by weight.

EXTRACT from Extra Supplement to the Burma Gazette, January 27, 1934.
