Dear Mr. Coles,

Many thanks for your letter of 21st March, with further reference to the case of [redacted] in which connection I enclose copy of a letter recently received from Dr. Kehoe and which I think may be of interest to you.

Although Dr. Cassells is no longer with us, I am sure he would be pleased to assist you; likewise Dr. Davison will be equally willing to help.

Sincerely yours,

M. A. PRYKE.
