Dear Dr. Kehoe:-

Your series of papers on lead poisoning arrived here today. I am sorry to say that Mr. Philip Drinker has gone away on an extended trip for the Government, and will not be back here for some time. He told me to send any manuscripts which came during his absence, to one of our associate editors. Consequently, I am sending these papers to Dr. W. F. von Oettingen, and asking him to read them for me. I hope this will meet with your approval.

As soon as I hear from Dr. von Oettingen, I will write you again.

Sincerely yours,

Margaret S. Perry
