

1 asbestos.

2 Q What do you mean by go after?

3 A I can't believe you don't understand. They are
4 going to start targeting them for regulation, that's what I
5 mean by go after.

6 Q Is this anything that the committee resisted or
7 was chartered to resist on behalf of the FMSI?

8 A I don't recall.

9 Q Did the Asbestos Study Committee ever test any
10 asbestos friction products to determine their propensity to
11 release asbestos fiber during braking?

12 A No.

13 Q Did the Asbestos Study Committee ever test
14 asbestos friction products to determine asbestos fiber
15 release during the arcing and grinding of friction products?

16 A No.

17 Q Did they do any testing of products at all?

18 A No.

19 Q You indicate that the Asbestos Study Committee
20 reviewed and commented upon the Illinois Pollution Control

21 Board proposal to ban asbestos in brake linings sold in
22 Illinois. What did they comment upon in that regard?

23 A Well, it was a proposal, at it says there, to ban
