Dear [REDACTED]

I would like to also thank you for the meeting we had.

It was very useful for [REDACTED] and me to learn more about ChemSec and your perspectives and expectations vis-a-vis the Agency. We especially took note of - and shared internally - your insights and feedback about ECHA's dissemination activities related to tonnage bands and the Committee work.

Best regards  
Sharon.

Dear Sharon and [REDACTED],

Thank you very much for our meeting last week and interesting exchange of information and thoughts.

We have written some easy changes to make the PFAS consultation user-friendly and sent them to Mercedes Vinas and Peter van der Zandt.

Kind regards,

[REDACTED]
