The Manager,

Cue, 4th. October 61

Australian Blue Asbestos Ltd.

WITTENOOM...W.A.

Dear Sir, I do not appear to have received 'Accident Returns'
since 31/7/1961.

Please note that any accident in a mine involving loss
of time to the worker concerned must be reported, and that a
'Serious' accident is one which disables the worker and prevents
him from performing his normal occupation or from earning his
usual rate of remuneration for a period of two weeks.

In the event of there being no 'lost time' accidents
during any month a 'Nil' return should be submitted.

Yours faithfully,

DISTRICT INSPECTOR OF MINES, CUE.
