Mr. Don G. Fowler
Director of Health and Safety
Lead Industries Association
202 Madison Avenue
New York, New York 10017

Dear Don:

I am pleased to have the first issue of the "Kettering Abstracts of the Biological and Related Aspects of Lead and its Compounds", and I am most grateful for sending me a copy.

I am most happy to see that the form and substance are well presented in this manner, as credit to both the Kettering Laboratory and Lead Industries Association.

With best regards,

Sincerely,

Robert A. Kehoe, M.D.
Director
