REGULATORY REVIEW ON FOOD CONTACT MATERIALS

IRI will undertake the following activities on behalf of BF Goodrich:

1. Obtain copies of the current positive lists of substances approved for use in food contact materials. Lists issued by the EC, Germany and France will be obtained.
2. Clarify with regulatory authorities the status and applicability of the lists obtained.
3. Check the composition of a formulation termed Geon 87697 for compliance with the relevant positive lists.
