**Subject:** Meeting with AWWA Leadership with EPA Administrator

Dear Mr. Jackson,

We are sorry that the Administrator cannot join us at our ACE '17 meeting in Philadelphia next month. Nevertheless, I would like to renew my prior offer to bring in our volunteer utility leadership to meet with the Administrator at a mutually convenient time. Given his support for water infrastructure investments, and the work of the leadership of American Water Works Association (AWWA) on matters such as WIFIA and SRFs, I think all might benefit from a conversation. I know that our members are anxious to discover how they might support the Administrator in his important work.

AWWA represents 50,000 members working in the drinking water utility sector including 4,000 utilities themselves. Our utility members represent something like 80 percent of the U.S. population.

Thank you for your consideration.

Tracy
