Subject: meeting May 10 or 11

Hi Samantha,

Thanks for the quick chat on the phone. I will be in Washington DC on May 10 and the morning of May 11 as I have several Congressional meetings, including Congressman McCarthy.

As I mentioned on the phone, CRC is the largest oil and natural gas operator in California.

It would be great to spend 15 mins with you to discuss the following issues:

Region 9
Methane Rule
Aquifer Exemptions

Thanks in advance Samantha and I look forward to meeting you.

Sincerely,

Paul
