

Mrs. Wilson

MONSANTO CHEMICAL COMPANY

Anniston, Ark.

Mr. Fred Reeves

DATE July 17, 1944

REFERENCE

TO

ATTENTION ~~Mr. Jack Giegorn~~

SUBJECT

The Sales Department has requested that we furnish them in duplicate a tabulation of the softening point of each lot of Aroclor #4465 shipped to Anaconda Wire & Cable Company.

Will you please have prepared and send to me three (3) copies of a tabulation of the softening point of each lot *in each car* of Aroclor shipped these people so that I can send them on to the Sales Department.

I will need this information for the car of Aroclor shipped on July 5th in car ~~MP~~ 10240.
