Mr. H. S. Kline, Director
Industrial Hygiene and Sanitary Engineering
Frigidaire Division of
General Motors, Inc.
Dayton, Ohio

Dear Friend Hugh:

The pamphlet to which I referred in our conversation is entitled, "Armed Forces Index of Occupational Health Methods and Equipment", and may be obtained by writing to Dr. Harry W. Hays, Director, Toxicological Information Center, Nat'l. Academy of Sciences, Nat'l. Research Council, Div. of Chemistry and Chemical Technology, 2101 Constitution Ave., Washington, D. C.

It was a pleasure to talk with you last Monday evening.

Very truly yours,

DeWitt Huffman
Industrial Hygiene Engineer
