To My Friends at Harvey Mine - Patterson Creek Portal:

You blessed me immensely with your generous hospitality and eagerness to share with me the work you do each and every day. I appreciate you affording us the learning opportunity. And, I'm very grateful to have had the opportunity to share with you, in person, our message that the War on Coal is over.

Thank you for welcoming us into your facility and for your unapologetic dedication to both your trade and the environment. We need you and are thankful for you. Prayerfully, we will see you again soon.

Godspeed!
